

C.A.R.E. JEUNESSE

ANNUAL REPORT

2018 / 2019

MESSAGE FROM THE PRESIDENT

Dear C.A.R.E. Jeunesse, Community,

This last year has been a big year for CARE Jeunesse as we have continued to see major growth. In the past year we introduced a new bursary-the D'Arcy McGee-CARE Jeunesse Bursary thanks to the support of David Birnbaum, MP for the D'Arcy McGee riding. We hosted several events with youth in care, including lunches and dinners, distribution of luggage, established a tax clinic which included a workshop to teach youth about doing their taxes and offered them the opportunity to have their taxes done by a volunteer, and of course we hosted our annual holiday party that was well attended by members and their children where every guest received a full holiday meal, gifts and prizes.

In the spring of 2019, we hired Vanessa Mahon as our Community Outreach Coordinator and have continued our efforts to obtain charitable status. We have continued to offer consulting to other organizations around the needs of youth in care and alumni of care and best practices for intervening with this population. CARE Jeunesse also attended the Gala des Prix Leviers in Quebec City at the National Assembly where one of our members received an award for her successes. CARE Jeunesse was the recipient of the Montreal Community Cares-Community Organization award in May 2019. The voices of our members were represented by CARE Jeunesse at the Special Commission on the Rights of the Child and Youth Protection and continued to work with the Coalition formed with the Quebec Association of Educators and the Batshaw Alumni Association to advocate for quality services for youth in care and alumni of care. CARE Jeunesse will also be making recommendations to the provincial government in order to improve Quebec's Youth Protection system. Our members were also given the opportunity to express themselves in a focus group with INESSS, Institut national d'excellence en santé et services sociaux.

Our members have expressed to us the need to be informed of their rights and responsibilities and we have heard you and are working on a project in collaboration with other partners to ensure that youth in care across the province are informed about their rights and responsibilities.

CARE Jeunesse would like to take the opportunity to thank all of its individual and organizational supporters as our success would not be possible without you. Also, a huge thank you to our members who put their trust in us. I would also like to take this opportunity to thank all of our volunteers, including our volunteer board members who have continued to work tirelessly to ensure that our members in and from care are supported and ensure the success of our organization. We look forward to the many exciting upcoming projects this year, so join us on Facebook, Twitter and Instagram and sign up to become a member (FREE) on our website (www.carejeunesse.info) to be the first to hear the latest news and make a donation or volunteer to help us continue to achieve our mission.

Sincerely,

Jennifer Dupuis,
President

CARE Jeunesse is run primarily by the volunteers on the Board of Directors. Annual priorities, services and organizational goals are established collaboratively based on feedback from our youth and alumni of care members concerning their current needs and interests.

Thanks to a generous grant from a community partner, C.A.R.E. Jeunesse was also able to employ a part-time staff member during this year, which enabled us to further our impact and fulfillment of our mission.

THIS YEAR'S HIGHLIGHTS

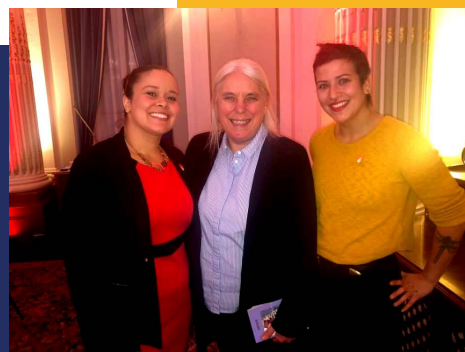

TAX CLINIC AND INCOME TAX FILING

Filing your tax returns can be a confusing process, especially for young adults doing it on their own for the first time. New this year, C.A.R.E. Jeunesse was proud to be able to offer our members a free training on how to file your income tax returns, as well as free individualized sessions where members could have their returns filed for them with the help of a trained volunteer. The sessions occurred over 3 weeks in April 2019 and were a definite success!

GALA DES PRIX LEVIERS

In November 2018, C.A.R.E. Jeunesse was thrilled to be able to accompany our member Erin Doiron-Hartle in Qubec City to accept her award at the National Assembly at the Gala des Prix Leviers. Erin was recognized for her outstanding volunteering and contributions to the community and C.A.R.E. Jeunesse's mission.

COMMUNITY OUTREACH ACTIVITIES

Each year in Quebec, 1,200 youth "age-out" of care and are met with the arduous task of fending for themselves, without any support. C.A.R.E. Jeunesse seeks to build a community for youth, so they know they will always have somewhere to turn, even after their 18th birthday. With that in mind, C.A.R.E. Jeunesse hosts numerous community outreach activities annually in order to inform youth about our free services, hear about their needs, and encourage them to advocate for their own needs.

In 2018-2019, we held a record-breaking number of outreach activities, and would like to thank the numerous volunteers, alumni and members who organized, spoke at, or attended these important events.

THIS YEAR'S HIGHLIGHTS

NEW AWARENESS VIDEO

The C.A.R.E. Jeunesse Media Committee has been hard at work making sure the voice of youth and alumni of care are heard! In spring 2019 they brought together alumni from various backgrounds to create an awareness and recruitment video about C.A.R.E. Jeunesse. This is an integral piece in helping us expand our reach and making sure a maximum number of youth aging out of care know about our free support and referral services.

INESS RESEARCH PROJECT

This past year, C.A.R.E. Jeunesse has been increasingly consulted to share experiences of our members. In May 2019, a group of our members participated in a research project at the Institut National d'Excellence en Santé et en Service Sociaux (INESS), an organization that researches topics of interest to the provincial government. The project focused on the assessment of development of youth in care.

2ND ANNUAL HOLIDAY PARTY!

Volunteers setting up for the holiday party!

The holidays can be a lonely time when you are away from family or on your own. Due to popular demand, C.A.R.E. Jeunesse held its second annual holiday party for youth in care and alumni from care. Members were able to enjoy a complimentary holiday meal surrounded by festive decor, listen to music, socialize with their peers, and even have a special visit and gifts from santa! This special event will certainly be back in 2019 for another edition!

THIS YEAR'S HIGHLIGHTS

MONTREAL COMMUNITY CARES FOUNDATION AWARD

In May 2019 our President, Jennifer Dupuis, was thrilled to accept the Montreal Community Cares award on behalf of C.A.R.E. Jeunesse in the Community Organization category. This award was bestowed in recognition of C.A.R.E. Jeunesse's outstanding impact in the community.

SPEAKING OUT

C.A.R.E. Jeunesse is pleased to have participated in numerous speaking and discussion forums, surveys and consortiums such as ENAP's *Colloque / École d'Été 2019 : Réseaux d'action collective autour et avec les jeunes: comment mieux travailler ensemble ?*, the consultation for the *Forum Jeunes et Santé mentale - Professionnels de la santé* by Santé et Services Sociaux de Québec, the UNICEF *Change Summit*, the *Special Care Connect Empathy In Action* conference, and many more!

NEW POST-SECONDARY EDUCATION BURSARY

Thanks to the incredible support of MNA David Birnbaum, deputy of D'Arcy-McGee, in June 2019 we were pleased to announce the new D'Arcy-McGee-CARE Jeunesse Bursary! Youth from care face a disproportionate amount of obstacles to completing post-secondary studies, and we

hope that the bursary helps alleviate some of the financial burden that may prevent youth from care from pursuing post-secondary studies. The bursary provides one individual with a \$2,000 bursary each year. This bursary differs from many others in that it is available specifically for youth from care, it supports youth pursuing any type of post-secondary education, including trade programs, CEGEP or University, it is based on several factors including need, merit and motivation of the applicant. Individuals can apply in writing or by creating a video for those who struggle with literacy or are more comfortable expressing themselves verbally. C.A.R.E. Jeunesse also provides all applicants and CARE members with information about other existing scholarship and bursary opportunities in order to increase positive outcomes for alumni of care.

SPECIAL THANKS TO OUR PARTNERS

C.A.R.E. Jeunesse is a non-profit organization that relies entirely on the support of our community to fund and fulfill our mission. We are incredibly thankful for the tremendous support we received this past year from our community partners, sponsors and volunteers. THANK YOU!
